### About This Content

The original script for Welcome To... Chichester 3. There is quite a big difference between this and the final visual (much like the first two episodes).

The major difference this time is that there was originally not going to be a "good" ending - nor have any choices with dealing with The Screaming Vocalists

CINDI EGLANTINE  
Unlike most monuments  
around here, this one is  
just to mark the  
boundary of the City on  
the east side. It was  
erected in 1748 in the  
majority of Charles  
Duke of Richmond Lennox  
Aubigny

CINDI EGLANTINE  
The River Lavent flows  
past here, from the  
other side of the road.  
Well, it would flow if  
it had any water, that  
is

CINDI EGLANTINE  
...

CINDI EGLANTINE  
I'm hungry again... I'm  
just going to pop to the  
messy shop. I'll be  
back in a moment.

PROTAGONIST  
Puss you're okay on your  
own ?

97.

CINDI EGLANTINE  
I'll be fine ! You two  
just wait here - I don't  
want to spend my final  
hours having to look for  
two very lost  
Americans...

GENEAL JUNK  
Don't worry ! I'll make  
sure he won't more an  
inch !

I want you to ~~see~~ in the  
Vocal Streamers !

THE BOSS  
WHAT ? WHY ? ?

49.

LOREINDA ELIA  
Teach those two bitches a  
lesson they won't forget  
! HA HA !

LOREINDA ELIA  
And then they can teach  
HEM one as well !

THE BOSS  
Oh no ! That would be  
taking way, way, WAY too  
far !

LOREINDA ELIA  
<playedName> is mine!  
All mine ! No-one else,  
but mine !

LOREINDA ELIA  
But... He's been near  
them too... Urghh...  
So...

LOREINDA ELIA  
HE MUST BE ELIMINATED TOO  
!

THE BOSS  
Oh, no... So... No...  
Getting rid of Grendel  
may be okay, but killing  
innocent people, plus  
our best agent is a  
definite no-no !

THE BOSS gathers up all the photographs into one neat pile  
and sighs

THE BOSS  
Go home, Loreinda. Take the next  
few days off as well! And -etc
